HOW TO SURVIVE THE **WORKFORCE** ZOMBIE APOCALYPSE

3 TYPES OF WORKFORCE ZOMBIES - KNOW YOUR ENEMY **SURVIVAL STRATEGIES**

JOB SEEKER ZOMBIES

PROBLEM: They don't realize their jobs are gone. They don't know where to go and are destined to wander the earth seeking meaningful work. They can come in hordes and as lone wolves. But, there are too many to be tackled solo.

SOLUTION: You'll need EmpyraWorks' enhanced virtual services to survive this mob. It has been demonstrated that you can successfully convert them to high performing workers, but only with personalized virtual services and smart workflows.

COMBAT DIFFICULTY - **MODERATE**

THE NECESSITIES TOOLS YOU WILL NEED TO SURVIVE

DISTRACTION DEVICE JOB SEEKER **MOBILE APP**

Our mobile app stealthily directs seeker zombies to jobs matching skills they still possess and gets them on track to return to the world of the living.

REACHING DEVICE **EXTENDED ARM**

EmpyraWorks provides the ability for you to reach further, perform better, and grasp the opportunities presented during the battles waged for the next American workforce.

PROTECTION STAFF **FORCE FIELD**

The best protection is prevention. Our workflows and analytics create a force field of protection around your staff, enabling them to solve workforce problems and be proactive against zombie attacks.

ADAPTIVE DEVICE CLOUD-BASED **SWISS ARMY KNIFE**

Our ability to integrate into legacy systems is legendary. This cloud-based Swiss army knife will get you out of danger and also ensure that you can lock into other systems for integrated results.

COMMUNICATION & ALERT DEVICE

EMPLOYER **BEACONING**

Employer zombies need to alert you to their needs, and you need to demonstrate that you can rise to the occasion. EmpyraWorks' Employer Relationship Management module provides a direct link to employers so you can convert them into examples of your success.

EMPLOYER ZOMBIES

PROBLEM: They can't find the workers they need and wander aimlessly moaning about the failure of the workforce system to deliver skilled workers. They are heavy armed with strong weapons. They know what they want, but can't seem to find it anywhere.

COMBAT DIFFICULTY - **HARD**

SOLUTION: Converting them requires EmpyraWorks' Employer Relationship Management and the ability to build a trusted talent supply chain that can help.

STAFF ZOMBIES

COMBAT DIFFICULTY - **INTENSE**

PROBLEM: The most difficult zombies, can infiltrate the smartest workforce boards and slowly spread pestilence causing a drift to low-performance.

SOLUTION: They can be converted through raw energy coupled with metrics and structure - such as you'll gain from EmpyraWorks' workforce workflow and performance analytics.
